Creative Tactics Catalog

Last Updated: June 4, 2025

Creative Tactics

Creative recommendations that use scaled products / features / processes

- They are pitched and delivered by Strategists
- **Need Design Help?** Strategists can request support from Creative Specialists
- **Need Technical Help?** Strategists can use #next-production-consultation (in Slack) to ask BPMs/TPMs clarifying Qs
- Jiras are logged for pitch and delivery by Strategists to track their work

Standard Creative Tactics Offerings

**Current scaled offerings and X Ad Products and
Features that can be pitched without BPM/TPM
involvement**

Engagement

Product	Description	Resources
Conversation Button	Add a call-to-action button and customizable hashtags to your ad. Prompt people to spread your message to their followers, further expanding your reach and engagement.	X Business
Instant Unlock	Using Conversation Ads, incentivize users to Post by offering access to exclusive content (e.g., a film's trailer or an exclusive Q&A) after the Post is sent.	X Blog
Polls	Improve the ability to creatively gather opinions and engage with audiences on X by adding the stopping power of images and videos.	PMB
Post Intent	Spread your brand message by launching a pre-composed Post by simply tapping a link.	X Developer Platform

Takeovers

Product	Description	Resources
Timeline Takeover	Maximize reach on X for 24 hours with X's most valuable video impressions.	PMB
Reach Blocks	Single day media buy providing brands with targetable, mass-reach inventory in the Home Timeline.	PMB
Trend Takeovers	Put your ad alongside what's trending with immersive media located at the top of the Explore Tab for 24 hours.	PMB
Custom Trend Takeover	The same Spotlight as standard Trend Takeovers, but they direct to a curated event page and offer more control over the featured content.	One-Sheet

Branded Features

Product	Description	Resources
Hashmoji	Express your brand's personality and immediately make it a part of the conversation by adding a fun, visually appealing creative element whenever your hashtag is used on X.	go/BrandedFeatures
Hashfetti	Supercharge your Hashmojis by raining down custom emojis to surprise and delight users.	
Custom Likes	Spark delight and amplify participation around your Timeline Takeover.	
Hashmedia (Pilot)	A nascent feature that auto-populates a curated video in the Post composer upon adding a brand's hashtag to the Post.	PMB

Amplify

Product	Description	Resources
Amplify Pre-roll	Run pre-roll ads to align your brand with brand-safe, premium content your customers are already watching — including highlights and top clips.	PMB
Amplify Sponsorships	Own the best video content and build brand association by pairing yourself with a leading publisher via an exclusive 1:1 sponsorship package.	PMB

X Live

Product	Description	Resources
X Live	Create a moment, broadcast it to the world, and allow your audience to interact with you in real time with X Live.	go/live
Live Shopping	Capture shoppers when they are most responsive.	go/live
Spaces	Have live audio conversations on X	Help Center

Ideas

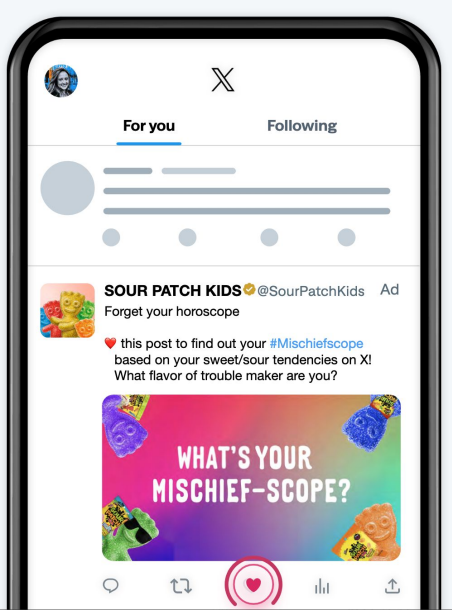

**Ideas that go beyond our current scaled Creative Tactics
(and require deeper cross-functional & client partnership)**

- Ideas (fka IWTA) are cross-functional collaborations pitched and delivered with cross-functional Next collaboration (Strategists, CSs, BPMs, TPMs can all have a role)
- Please update the Jira component to Ideas Pitch if you are pitching solutions that are not part of our standard Creative Tactics offerings.

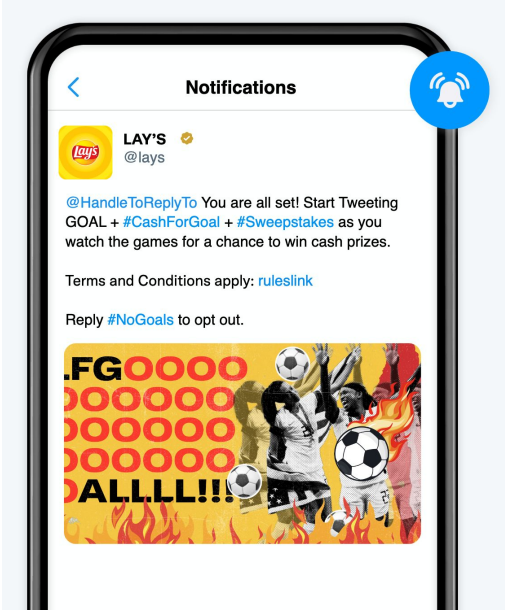

Commonly Pitched Ideas Formats

Data-Driven Auto-response (aka Empathy Engine, Profile analyzer)

Auto-response + Sweepstakes

Speed Scroller
